

## Program Purpose

The purpose of our program is to provide quality care and education which is dedicated to the physical, intellectual, social, emotional, and spiritual development of each child.

The daily program is planned, but flexible.

Children learn from a variety of developmentally appropriate activities in all areas, with a special emphasis on our integrated Christian curriculum.

## Our Goal

Our Goal is to meet the individual needs of your children. With over three decades of educational excellence in the community, we offer many benefits. The center offers a low child/teacher ratio in a suburban setting.

Our qualified, professional teaching staff has years of experience in early childhood education and have designed a creative curriculum to meet the needs of each child.

We offer flexible programming to meet the needs of today's families.
