Program Purpose

The purpose of our program is to provide quality care and education which is dedicated to the physical, intellectual, social, emotional, and spiritual development of each child.

The daily program is planned, but flexible.

Children learn from a variety of developmentally appropriate activities in all areas, with a special emphasis on our integrated Christian curriculum.

Our Goal

Our goal is to meet the individual needs of your family. With 30 years of educational excellence in the community we offer many benefits. Our center offers the low teacher/child ratios of downtown centers in a suburban setting. Our qualified, teaching staff have years of experience in early childhood education, and have designed a creative curriculum to meet the needs of each child. We offer flexible programming to meet the needs of today's families.

The center also offers program for children as young as 6 weeks old and is now enrolling just call for information.
